Investigative Narrative

On MO 111504 I received W1 (Cristen B████) and W2's (Tyrone G████) written statements from a incident on MO 110804, see statement section.

I did speak to the A.G.'s office on FR 111204 reference the incident and they (Rhonda D████) advised me to charge sus 1 (Nicholas M████) and sus 2 (Kevin Knight) with assault 3rd and conspiracy, since they were seen on the video cameras standing at the door and watching sus 3 (Jeffrey L████) punch the V (Jeffrey L████) in the face and then give sus 3 high fives after hitting the V (in the hall by the doorway).

Case is still pending due to obtaining warrants for the sus's.

Supplement to follow.

Statement of Witness 001 - CRISTEN B████

On MO 111504 I was given a written statement from W1 (Cristen B████), which she gave to the school, and it was the following:

I walked in the class and put my things down like always and then Jeffrey said something about giving someone a death wish and R████ heard it and punched Jeffrey in the eye and said 'w's that for a death wish?' Jeffrey looked over at him and said 'I wasn't even talking to you.' Then I looked over at Jeffrey and he started bleeding from his eye.

Statement of Witness 002 - TYRRONE G████

On MO 111504 I was given a written statement from W2 (Tyrone G████), which he had given to the school, and it was the following:

There was an event that happen in Mrs Fredrick class on the leporad hallway but it started science when his pants got rip in homeroom but as he walked out they surround him it was Reggie, Kevin, Nick. As he got in front of all of us Kevin say yo B that nigga right there before as Keff walked in to first period Kevin reached his hand over a couple of people and hit Jeffrey in the jaw then he said that he is gone to give him a deaf wish. Then Mr. Meggie came and said who are you talking to and Jeff looked at him and something but when he said something then they said he said he was going to put a deaf wife on him but he never stated who he was talking to and then Reggie came in and said who are you talking to as he started to leave he cracked right below the left eye.

(All the mis-spellings are his)

Statement of Witness 003 - CHARLES CARTER

I received a written statement from PC1 (Mr. Carter, Dean of Students) reference the incident on MO 110804 and it was the following:

B71

Statement of Witness 003 - CHARLES CARTER - Continued

Monday, November 8, 2004, R[REDACTED] W[REDACTED] was sent to my office by Dr. Moody. Once he arrived, I noticed he needed medical assistance. His hand was cut; I asked him what happened. He told me that he punched some boy in the face. I sent him to the nurse who then brought him back to me immediately without any assistance. I walked him back to the nurse and once we arrived at the nurse's office that the student Reginald punched was in the nurse's office being treated for a laceration under his eye, bleeding profusely, for which the nurse stated he would require stitches to close. I escorted R[REDACTED] back to my office and we called his residence. I spoke to R[REDACTED] mother who did not want him to give me a verbal written statement until she arrived. Jeffery's mother arrived at the school to take her son to Christiana Hospital and made a statement to me regarding her son and a problem he had last year. She stated that she hoped this wasn't in retaliation for going to court last week where another student was found guilty of assaulting her son last year, because the boy that assaulted her son is on her son's team this year. I explained to her that we would look into the incident and do everything we needed to do to find all parties involved and turn all information over to the detective and Dr. Moody.

Once the mother arrived, R[REDACTED] was taken to the nurse's office and treated. After treatment, the mother and student were brought back to my office. In my office, the mother spoke to R[REDACTED] in private to hear his side of the story. During this time, I was out of my office to give them privacy. Once they were finished, I returned to hear what Reginald had say about the incident. "The boy bumped into me in homeroom... he stated that he was going to place a death wish on me." R[REDACTED] added, "I've heard that he's done this before." I explained to the mother that this was ludicrous that this boy has put a death wish on someone because he wouldn't be in this school if that occurred. After further discussion, the mother allowed R[REDACTED] to give me a written statement. The mother also wanted to do a walkthrough of what occurred. We went to R[REDACTED] homeroom, room 211, Mrs. Molini, and did a walkthrough. We did the walkthrough, and R[REDACTED] showed me where he was sitting in relation to the other boy. It was very obvious that R[REDACTED] blocked the aisle so that Jeffrey could not get by. So it was obvious that Jeffrey may have brushed R[REDACTED] when he was moving to his seat. After this we went to room 205 where the incident took place. Reginald stated that Jeffrey made the statement about the death wish again. This is when Reginald punched Jeffrey in the eye.

I then concluded with the mother that I would look at the security cameras and that R[REDACTED] stated to be truthful because the cameras would tell us exactly what took place. Looking at R[REDACTED] schedule I then asked him why he was in room 205 when he was supposed to be in room 204. His response was that the boy said something to him so he went in and punched him in the face. After lunch duty, Reverend Mayo and I reviewed the cameras and noticed that the boy had been hit twice, once in the hall by Kevin K[REDACTED], whom we picked up and interviewed. Kevin told us that the boy, Jeffrey, said that he was going to put a death wish on him and that's what he hit him. Kevin then explained that he told R[REDACTED] what the boy (Jeffrey) said and that's when R[REDACTED] walked into room 205 and punched Jeffrey in the eye the second time. As R[REDACTED] exited the room and entered the hallway he started giving high fives to Kevin K[REDACTED] and Nick M[REDACTED]. Jeffrey ran out of the room to go to the nurse. We found out looking at the cameras that Nick M[REDACTED] was involved somehow, and after interviewing him, Nick stated to us that during homeroom he stepped on Jeffrey's pant's loops and ripped them purposely therefore creating the initial problem.

Referral to the Courts

Referral to the Courts is the filing of a charge of an alleged illegal action with the Courts having jurisdiction.

Removal from Class

A teacher may remove a student from class for the remainder of the class period when the student's conduct is seriously disruptive and informal resolution is impractical. Exclusion may not exceed one class period. The student must be sent to a supervised area designated by the principal.

An administrator may temporarily remove a student from class if the student's continued attendance in a particular class causes serious disruption of the educational process or presents immediate danger of physical harm to either the student or others. Removal from class by an administrator shall not exceed five (5) school days; however, a student may be permanently removed from a particular class after repeated infractions.

Reprimand

A reprimand is a written or verbal notification of unacceptable behavior.

Restitution/Restoration

Restitution/Restoration is the payment for and/or restoring of property or articles, which have been damaged, lost, or stolen.

Suspension

Suspension is a student's temporary exclusion from regular school attendance and activities by an administrator for a period not to exceed five (5) consecutive school days. Suspensions of five to ten days requires the Superintendent's/Designee's approval. Students are eligible to make up missed assignments.

Work Assignment

A work assignment is an assigned task, which must be completed by the student in the time specified by the administrator. When possible and appropriate a work assignment should be related to the offense. This could also include community service under adult supervision.
